Hi all

A great big thank you to all those that supported Hemel Ski Race Club and the Eastern Region in the "AH Fun Race" held at Hemel this evening, Saturday 14th January 2006. Racers came from far a field as Pendle to the North and Chatham and Aldershot to the South with many places in between.

The evening was a great success mainly due to the people who took part and the fun and camaraderie shown by all the racers. Racers of "times gone by" showed they still had it in them, some may even come back to the racing scene.

Thanks must also go to all those parents and helpers who managed to help the evening run very smoothly although very chaotic at the start of the proceedings due to the weather and number of people.

Following on from this note are the results, first team results followed by individual results.

Once again thank you to every one who competed and all those that helped the evening be the success that it was.

HEMEL SKI CLUB COMMITTEE.
