

**SSE Club National Series 2008**  
**Best Performing Club**  
**Prizes sponsored by Inghams**

Final results including all 12 Club Nationals are attached.

Many thanks to Peter Calvert for all his time & expertise in calculating these results in between preparing for his university exams.

**Club Nominations**

The rules for this competition state that:

"Racers will be allocated to their first named club as shown on the first BARTS list on which they are listed (using the XLS version which includes all registered racers). Any changes to their first named club on later BARTS lists will be ignored"

As some racers are aware, a number of club nomination changes, which were submitted to the SSE office at renewal or before the first BARTS list, were not reflected in the BARTS lists published in May and June, nor in the interim Club results published after the Southampton CN.

This was one of the consequences of lengthy delays in the transfer of membership data to a new database system

The data transfer was completed by the contractor on 3rd June, but it was immediately apparent that some known club change requests had not been incorporated. In order to resolve this, an extract from the new database was published on Britski on 6th June requesting notification of any errors. Those notified during June were incorporated in the BARTS list 3 published on 1st July.

In order not to disadvantage those racers who had asked for club nomination changes in good time, it has been agreed that all twelve Club National race results for the Best Performing Club competition will now be based on club nominations as shown on BARTS list 3.

The club prizes will be presented at the All England Championships.
