

Club National Series 2012

The inter-club CN series will be running again this year. With the changes in age groups, the rules used to calculate results are now as follows:

- The four best overall results for each club will be combined to produce a total time for the club – subject to the following constraints.
- All results from the Male and Female races will be taken into account, but not from the U10s race.
- For each club at least one of the results must be a U12/U14/U16 racer, no more than two results by SEN/MAS racers, at least one result by a male racer and at least one result by a female racer.

At every Club National race listed on the Snowsport England race calendar, series points will then be awarded to each club as follows:

1st club 25, 2nd 20, 3rd 16, 4th 14, 5th 12, 6th 10, ..., 15th 1 point

Throughout the season, racers will be allocated to their first named club as shown on the first BARTS list on which they are listed. Any changes to their first named club on later BARTS lists will be ignored.
