

Welcome to Les Houches and the Anglo Scottish Cup 2014

U14/U16 races

We will be using the same piste for all the BASS races, a section of the men's downhill well screened by trees. This will provide the best visibility if, as forecast, the races are affected by bad weather. This piste is served by the Maison Neuve chairlift and the Prarion telecabine. There will be tents and scoreboards at the bottom of the Maison Neuve chairlift for the duration of the races. Free hot drinks and food will be made available to all the U14/U16 racers and accompanying adults.

U10/U12 Races

The bairns and lassies' races are now planned for three separate pistes. Please note the later start on Saturday for the Dual Slalom. On Sunday the Combi Slalom will be held on the same piste as the U14/U16 Slalom, with the bairns' start below the older racers' finish area. Monday's Giant Slalom and parents' race now due to take place on the Stade Chamois, reached via the top of the Prarion telecabine (bubble). Hot drinks will be available free to U10/U12 racers and accompanying adults, and sandwiches just for the racers. As planned, the fastest 12 boys and 8 girls on Monday will be invited to compete the next day on the older racers' Giant Slalom. Given the adverse weather forecast it is unlikely that racers will be allowed to compete in catsuits.
