The official race notice board will be located outside the race office.

Start Order

The start order will be drawn using the national BARTs seed list 2016.2, which is published on www.gbski.com/seeding.php. The Start List will be published on Britski, GBSKI, and on the official noticeboard on the morning of the race.

For the first run of the Race, the top 15 females and top 15 males will be drawn for start position with the remaining seeded racers placed in reverse seed point order. Those without seed points will be drawn for start position to run before those with seed points. The highest bib number will run first. For the second run, the start order will be the same. For the third run, the start order will be reverse order of the best time from the first two runs, the slowest will run first.

For U14 categories and above the race will run according to standard Club National format with three runs down the same course. Best time run from Run 1 and Run 2 will determine the start position for Run 3. The time for Run 3 will be added to the best time from Run 1 / Run 2 to determine final positions and seed points.

For U10s/U12s racers, racers will be randomly drawn, with girls going first followed by the boys. For all subsequent runs, the start order will be the same. The best time from the 3 runs will determine final positions.
