

Club National Series 2013

The inter-club CN series will be running again this year. With the introduction of separate races for U10/U12, the rules used to calculate results are now as follows:

- The four best overall results for each club will be combined to produce a total time for the club – subject to the following constraints.
- All results from the Male and Female races will be taken into account, but not from the U10 or U12 races.
- For each club, at least one of the results must be by an U14/U16 racer, no more than two results by SEN/MAS racers, at least one result by a male racer and at least one result by a female racer.

At every Club National race listed on the Snowsport England race calendar, series points will then be awarded to each club as follows:

1st club 25, 2nd 20, 3rd 16, 4th 14, 5th 12, 6th 10, ..., 15th 1 point

Throughout the season, racers will be allocated to their first named club as shown on the first BARTS list on which they are listed. Any changes to their first named club on later BARTS lists will be ignored.

The 13 Club Nationals on the calendar are as follows:

20 th April	Telford Ski Racing Club CN	Chill Factore, Manchester
