Race Bulletin – June 2011 – Seeding of Indoor Club National Races

Following on from discussions regarding indoor Club National races, a proposal was put to the TD forum in May 2011.

SSE reviewed the trial of seeding each of the 2 runs of an indoor CN while seeding outdoor CNs on the better of the first two runs plus the third run. After discussion with the national seeder and with coaches, SSE proposed the continuation of the trial for at least one more year. SSE recognised that there is a hierarchy of difficulty and therefore proposed that a minimum penalty of 20 points applies to all indoor BARTS races where seeding is on the basis of one run.

This proposal was agreed at the TD Forum in June, therefore starting with the race in Milton Keynes on 11th June, a minimum penalty of 20 points applies to all indoor BARTS races where seeding is on the basis of one run.
