## **FIFTH SEEDLIST 00/01 (5/01) - End of Season**

1. Welcome to the fifth seedlist of the 2000/2001 season. This includes all races approved for seeding except the Army Championships and Divisional races which will be added before the first list for 2001/2001.
2. Thanks to the extraordinary weather conditions this season, most of the British Downhills were cancelled. In fact, the only downhill to go ahead was at the Combined Services Championships in Megeve. Next year's Championship is to be held again in Megeve on 3rd - 10th February 2002. As always, the event is open to a limited number of BASS registered racers. Submit your entry to the race organisers in the usual way.
3. We have been conscious for some time that children often earn significantly better points in mixed Children/Junior races than in children only races. This is a deficiency in the seeding system and no reflection on the organisation or validity of the different races. For two seasons, we invited a small number of top seeded Juniors to compete in the major Children's events to help set an appropriate race penalty. While the principle was sound, the best seeded Juniors were often not available, so the experiment was suspended.

We are now experimenting with the use of maximum values in the penalty calculation, using a minor variation on the FIS penalty calculation. For example, in all slalom races including children, any BASS points or race points over 190 will be replaced with 190 in the penalty calculation. There are different values for each discipline and for races not including children. We will also be able to produce a penalty even though there are only three finishers in the top ten with BASS points - as long as at least five racers finish.

All this season's results will be recalculated using the "new" rules and a revised end-of-season BASS list produced. If the outcome is successful, the revised list will be published during the summer and used as the basis for the start of 2001/2002 season BASS list. If we are not happy with the outcome, all Dick Taplin's efforts will be consigned to the recycle bin and we will have to look for another solution.

4. This is the first season that all BASS lists have been published on the internet only. While saving considerable printing and postage costs, it also allows us to publish the lists and correct any errors much more quickly. We have also published many race results on the internet - often within a few hours of the race for the benefit of those unlucky family members still at home. We hope you like the improved service and will be tolerant if there are occasional delays.

Good skiing.

Peter Heath (for Dick Taplin)
