**FIFTH SEEDLIST 2002/2003 (2003/5) End of season 2003**

1. Welcome to the final seedlist for the 2002/2003 season, which adds the British Junior & Children, BUSC and English Championships - making a total of 2646 individual results for the season.
2. Way back in the mid-1980s, Dick Taplin took on the responsibility of producing the BASS list. Apart from a short break, when the RAF sent him for a four year "holiday" to the South of France, Dick has meticulously entered every British snow race result into a variety of ageing computers and produced the infamous BASS list five times every season. Each year, he dealt with numerous enquiries from racers, parents, coaches etc and produced a comprehensive analysis of the results for anyone who wanted to understand the intricacies of seeding. Dick was also Secretary to the FIS Calculations Committee, which was responsible for overseeing the FIS Points List.

Last November, Dick announced his decision to retire as National Seeder at the end of this season, though he will continue with his other skiing duties - including British FIS Co-ordinator and Secretary to the FIS Speed Skiing Committee. Dick in a skin-tight rubberised suit & Darth Vader helmet!!

Many thanks Dick on behalf of us all in British skiing for all your hard work over the years.

Snowsport GB has asked me to take over responsibility for producing the BASS list from next winter. I have already received a one-day crash course from Dick on the workings of MS FoxPro and been handed numerous boxes of historical files. I've now got the summer to learn how to drive the system before I go live next December. Don't change your phone number, Dick.

Good skiing.

Peter Heath (for Dick Taplin)
