SECOND SEEDLIST 2003/2004 (2004/2)

Valid from 17th January 2004 to 20th February 2004

1. Welcome to the second seedlist for the 2003/2004 season. This includes all the results from the BARSC Championships and the 3rd FIS Points List.
2. Please study the FIS Equipment Regulations - published on www.britski.org These regulations apply to ALL races on the British Alpine Calendar - FIS and non-FIS, including children's races.
3. There are some changes to the race rules for this season, full details of which are in the British Competition Rules (BCR) on www.britski.org.
- 3.1 In all snow competitions where Children ski the same course as Juniors/ Seniors, the children will race in a separate group, and their results will be seeded as a separate race from the Jun/Sen .
- 3.2 Trial Arrangements for 2003/2004 Season

In May 2003, the Snowsport GB Alpine Executive proposed changes to the start order for all Children's competitions on the British Alpine Calendar. The primary aim of the proposal is to help children prepare for the conditions they will experience in international competitions as Children and Juniors. Following extensive public consultation and committee discussion, the following trial has been agreed:

British Children's Championships April 2004

Slalom & Giant Slalom: Instead of the normal two-run event, there will be two separate one-run races. Both races will be submitted for BASS seeding, so all racers will have the opportunity to achieve two seeded results in one day. All racers who were DNS, DNF or DQ in race one will be eligible to compete in race two. All racers will be drawn for start order within their age groups. This is a repeat of the trial at the BARSC Championships.

In addition, the Super-G start list will be drawn as for the Slalom and GS.

Other Children's Races

The start order for all other Children's races during the 2003/2004 season will be as defined in Part 1 of BCR.

4. Proposed future seed list dates for the season are:

List	Cut-Off	Publication	Valid From
3	8th February	15th February	21st February
4	7th March	14th March	20th March
5	16th April	early May	End of Season

**5. F Values for the Race Point calculation are unchanged:
 SL 570; GS 860; SG 980; DH 1350**

Good skiing.

Peter Heath
