**FOURTH SEEDLIST 2003/2004 (2004/4)**

**Valid from 20<sup>th</sup> March 2004 to end of season 2004**

1. Welcome to the fourth seedlist for the 2003/2004 season. Due to the continued lack of snow in most of the Scottish resorts, the only new races on this list are the two slaloms at the North East Scotland Children's Championships plus the 5<sup>th</sup> FIS Points List. Hopefully this will be remedied on the final BASS list with the various Scottish, British & English Championships, Inter Schools, Ski Road Skis and BUSC races.
  2. Please study the FIS Equipment Regulations - published on [www.britski.org](http://www.britski.org) These regulations apply to ALL races on the British Alpine Calendar - FIS and non-FIS, including children's races.
  3. There are some changes to the race rules for this season, full details of which are in the British Competition Rules (BCR) on [www.britski.org](http://www.britski.org).
- 3.1 In all snow competitions where Children ski the same course as Juniors/ Seniors, the children will race in a separate group, and their results will be seeded as a separate race from the Jun/Sen.

For some time, the TD Forum has been concerned about the large disparity between seed points earned by children in mixed age group races compared with those earned in children only races. Previous attempts to harmonise the BASS list across all age groups have not been successful. The new rule means that the presence or absence of Juniors/Seniors is no longer a factor in seeding the children's results. Once the current children have all moved into the Junior age groups and the disparity between children's points has been eliminated, it may be possible to re-align all children's points en bloc and restore some link with Junior/Senior BASS points.

### 3.2 Trial Arrangements for 2003/2004 Season

In May 2003, the Snowsport GB Alpine Executive proposed changes to the start order for all Children's competitions on the British Alpine Calendar. The primary aim of the proposal is to help children prepare for the conditions they will experience in international competitions as Children and Juniors. Following extensive public consultation and committee discussion, the following trial has been agreed:

#### British Children's Championships April 2004

**Slalom & Giant Slalom:** Instead of the normal two-run event, there will be two separate one-run races. Both races will be submitted for BASS seeding, so all racers will have the opportunity to achieve two seeded results in one day. All racers who were DNS, DNF or DQ in race one will be eligible to compete in race two. All racers will be drawn for start order within their age groups. This is a repeat of the trial at the BARSC Championships.

#### Other Children's Races

The start order for all other Children's races during the 2003/2004 season will be as defined in Part 1 of BCR.

4. Proposed future seed list dates for the season are:

List	Cut-Off	Publication	Valid From
5	16th April	mid May	End of Season

5. F Values for the Race Point calculation are unchanged:

SL 570; GS 860; SG 980; DH 1350

Good skiing.
