**FIFTH SEEDLIST 2003/2004 (2004/5) Valid from end of season 2004**

1. Firstly, many apologies for the unacceptably long delay in publishing the final list for the 2003/2004 season. Thankfully, the season ended with a flourish of over 60 separate races including all the British, Scottish & English Championships, Inter School Ski Challenge, Ski Road Skis and BUSC races. The British Services Championships and the Schoolboys Children's slalom from January have also been seeded, making a season total of 94 seeded races and 3251 individual results.
2. At their May meeting, the British TD Forum discussed the trial arrangements for children's races at this year's BARSC and British Championships.

Subject to final ratification in November, the Forum proposed a revised format, which is intended to be used for all Children's snow races next season:

**Slalom & Giant Slalom:** two separate one-run races. Both races will be submitted for BASS seeding, so all racers will have the opportunity to achieve two seeded results in one day. All racers who were DNS, DNF or DQ in race one will be eligible to compete in race two.

**Start order:** Dependent on the number of entries, the top 15-30 seeded CH1 racers will be drawn for start order, followed by the next 15-30 seeded CH1 racers also drawn etc. Unseeded CH1 racers will be drawn in one or more groups and ski last. CH2 racers will follow, drawn in similar groups. The group size will be determined by the race jury.

For the second race, racers will retain their bibs and ski in reverse bib order within each group, but the group order will be the same as for the first race.

**Super-G:** a one-run race with start order drawn in groups as for SL/GS.

3. In all snow competitions where Children ski the same course as Juniors/ Seniors, the children will continue to race in a separate group, and their results will be seeded as a separate race from the Jun/Sen.
4. F Values for the Race Point calculation for the next two seasons will be agreed at the FIS Congress in Miami in June.

Good skiing.

Peter Heath
