FOURTH SEEDLIST 2005/2006 (2006/4)

Valid from 18th March to end of 2005/6 season

1. Welcome to the fourth seedlist for the 2005/2006 season. Unfortunately, due to the lack of snow and races in Scotland to date, the only additions since the last list are the RAF Championships and the 5th FIS Points List.

Today, 12th March, most of the Scottish ski resorts are stormbound with heavy snowfalls. Hopefully, the new snow will allow the remaining Scottish races to be held as planned.

2. Children's BASS Points

Those of you who were in the Children's age categories last season will notice that your points are significantly lower than on the list published last May.

The TD Forum has agreed that at the end of each snow racing season, all children's points will be adjusted so that the top ranked boy and girl in each discipline has 150 points; the adjustment also to be applied retrospectively to last season's points.

The minimum penalty to be applied for all future children's races will be 150 points

The adjustments applied for the first BASS list were:

	SL	GS	SG
Girls	-65.06	-76.33	-461.63
Boys	-71.99	-98.21	-391.31

This follows the FIS and BARTS precedents of setting the top ranked racer in each discipline to a fixed value, but allows progression from Children to Juniors within the existing BASS system.

3. Changes to the Equipment Regulations

As reported last year, FIS have specified that, for the FIS Children's International Super -G Races, Children 2 must use skis with a minimum length of 175cm and minimum radius of 27m. This applies to members of the British Children's Team and Development Squad while competing in the FIS International races.

At its meeting in November 2005, the British TD Forum has agreed an exemption for children competing in BASS races only. While Super-G skis are strongly recommended for children competing in BASS races, GS skis may be used for children's BASS Super-G races in the 2005/6 season. This exemption will be reviewed regularly.

4. There are some changes to the race rules for this season. Full details will be in the British Competition Rules (BCR) to be published on www.britski.org when available.

4.1 CHILDREN'S RACES FOR THE 2005/2006 SEASON

Following the trials at the BARSC and British Children's Championships in 2004, the TD Forum and the Alpine Executive have agreed the following regulations for all Children's races for the 2005/6 season:

- All children's races in the 2005/6 Alpine Race Calendar should follow the same procedure.
- The new regulations will be fully reviewed in spring 2006
- Both slalom and GS should be run as two separate single-run races (GS may be only a single 'race' if circumstances, e.g. force majeure, preclude running two).
- Start order to be based on the seeding system, graded ability levels.
- Ch1 and ChII should be drawn separately, and girls to race separately from boys.
- Category order to be agreed by the jury and announced at the TCM. It will remain the same for both races.
- Each race to count separately for seed points, but championship medals to be awarded on aggregate times/race points.
- Start order to be determined by a draw of the top group (size of this group appropriate to the number and ability of competitors), the remainder of seeded athletes in seed point order, followed by a draw of unseeded racers.
- The better ranked athletes to start first in Race 1.
- The second race in reverse order of bib numbers from the first race, within each category.

Coaches to retain responsibility for ensuring that any competitor falling in Race 1 should be withdrawn from Race 2 if there may be a possibility of injury and/or equipment failure.

- The Super-G to stay as per current BCR, the jury to decide the running order of the categories at the TCM.

A separate exemption regarding team start order was agreed for the British Schoolgirls races.

4.2 In all snow competitions where Children ski the same course as Juniors/Seniors, the children will race in separate groups, and their results will be seeded as a separate race from the Jun/Sen.

5. Proposed seed list dates for the rest of the season are:

List	Cut-Off	Publication	Valid From
5	14th April	early May	End of Season

6. F Values for the Race Point calculation for this season are unchanged at:

SL 600; GS 870; SG 1050; DH 1320:

These are reviewed by FIS after every season.

Good skiing.

Peter Heath
