FIFTH SEEDLIST 2008/2009 (2009/5)

Valid from end of 2008/9 season

1. The season has ended with a flourish of 48 separate races including the British, Scottish and BUSC Championships, making a total of 144 seeded races and 5394 individual results – 5% more than last year.
2. Children's BASS points

At the end of each snow racing season, all children's results are adjusted so that the top ranked boy and girl in each discipline has 150 points. The minimum penalty for all children's races is also 150 points. The adjustments applied this end of season list were:

| | SL | GS | SG |
|-------|--------|--------|---------|
| Girls | - 0.00 | - 0.00 | - 61.30 |
| Boys | -16.49 | - 2.91 | - 22.50 |

This follows the FIS and BARTS precedents of setting the top ranked racer in each discipline to a fixed value, but allows progression from Children to Juniors within the existing BASS system.

Finally, my apologies for the late publication of this list.

Good skiing.

Peter Heath
