

THOMSON GRAND PRIX SERIES 2003

For the second year running, Thomson Holidays have very generously agreed to provide eight training bursaries for the Children 1 & Children 2 age categories in the ESC Grand Prix Series.

The bursaries will be awarded to the Grand Prix Series winners in each of the four years of Children's racing (male & female). So, for this season the years will be 1992, 1991, 1990 & 1989. Children's results will be processed for each year of birth rather than for the age group and, as standard, the best three results will count.

The bursaries will be for two weeks fully inclusive training at the British Ski Academy in Les Houches near Chamonix in France. There is no cash alternative.

All racers, from the appropriate years of birth, competing in the Grand Prix series will be eligible for the bursaries regardless of which home nation governing body they are registered with.

AGE GROUP CATEGORIES

Grand Prix Points are awarded to the first 5 males or females in each age group, who successfully finish a race, as follows:

1st place - 7 points, 2nd - 5 points, 3rd - 3 points, 4th - 2 points, 5th - 1 point

In order to determine the winners of the Thomson training bursaries, the Children 1 and Children 2 categories have been replaced by Year of Birth categories: 89, 90, 91 and 92.

OVERALL MALE/FEMALE CATEGORIES

Grand Prix Points are awarded to the first 15 competitors of each sex, who successfully finish a race, as follows:

1st place - 24 points, 2nd - 21 points, 18, 15, 13, 11, 9, 8, 7, 6, 5, 4, 3, 2, 15th place - 1 point

Where two or more competitors in a category obtain identical times in a race, they will all receive Grand Prix Points appropriate to the tied position. Thus, if two competitors in the overall male category are 2nd equal, they both receive 21 points. The next competitor in the category (4th) receives 15 points.

In each Ranking List, each racer's Grand Prix Series Points will be calculated as the sum of their best three Grand Prix Race Points.

If two or more potential winners have the same number of Grand Prix Series Points at the end of the Series, they will be separated by referring to their 4th best GP Race Points and, if still equal, to their 5th best GP Race Points. If necessary, reference will then be made to the race positions (i.e. number of firsts etc.) in order to determine the final positions.

Under no circumstances will the Thomson training bursaries be offered to joint winners. If application of the above rules fails to produce a single winner for each bursary, reference will be made to the results of each Grand Prix in reverse order, starting with the final event until a single winner emerges.

Competitors who have gained Grand Prix Race Points in only one or two races will be included in the final Ranking List.
