Athletes must commit to developing their fitness technical skills and to be motivated to succeed. It is vital that there is support from parents and coaches but it's also essential that athletes have a strong work ethic to realize their potential in the team.

Aim

The aim of this document is to identify the selection criteria and the process of selection to the Scottish Alpine Ski Teams. Criteria are laid out within the age group categories as defined by the International Ski Federation (FIS) and identified within this document.

The aim of this policy is to outline a clear selection process within the athlete performance pathway

Overview

The GB selection policy will be implemented for the Scottish Ski Team to ensure all the home Nations have a standardized procedure for selection through to the GB team. There are various elements to the selection criteria and these are summarised in Table 3 from the GB selection Policy.

GB Fitness Tests

Fitness test will take place on **Sat 7th May 2011 at Edinburgh's Telford College**. If an athlete cannot attend or does not achieve the required fitness he/she will be selected on transitional status only until he/she has successfully passed the test. For Scottish Team selection, appeals must be made within 7 days of the announcement of the teams. Publication will take place on the 18th April 2011, so appeals must be received on or by 25th April 2011.

All appeals will be considered on an individual basis. Appeals will first be reconsidered by the original selection committee, who will explain their reasons for the decision to the athlete. If the athlete is not happy with the process or the outcome of the selection committee's final decision, then the athlete may opt to refer the matter to an internal appeals committee. The Snow sport Scotland appeals chairman will constitute an internal appeal's committee made up of at least three people, who did not sit on the original selection committee.

If the dispute remains unresolved, it will be submitted for an exclusive, final and binding determination to the Sports Dispute Resolution Panel (SDRP). Snow sport Scotland understands that both parties will undertake and to execute in good faith any decision of the SDRP.
